

EVENT PROGRAM

WELCOME

The Cook Labor Government is a proud sponsor of the Busselton Jetty Swim through Tourism Western Australia's Regional Events Scheme (RES), funded by Royalties for Regions.

RES was established to support event holders across the State with the development of events to drive tourism to regional Western Australia. The scheme plays an important role in creating a timely reason for visitors to travel to the State's five tourism regions, activating pockets of Western Australia and creating vibrancy, while showcasing the host region's unique and diverse attractions.

A total of 63 regional events across Western Australia have been awarded funding through the

2025-26 RES, and includes a \$150,000 funding pool for the Regional Aboriginal Events Scheme, which exclusively allocates funding to events delivering Aboriginal activities and experiences.

HON REECE WHITBY MLA
MINISTER FOR TOURISM

The Western Australian Government is proud to sponsor all these regional events, which help bring vibrancy to local communities and drive visitor spend, injecting millions into regional economies.

Tourism is a key part of our plan to diversify the economy, create jobs and develop business opportunities, especially in regional Western Australia. Events play an important role in this plan and also contribute to the Government's vision for Perth and Western Australia to be the fastest growing events destination in the South East Asia region.

The Western Australian Government sponsors a range of sporting, cultural, arts and culinary events across the state, to attract visitors and encourage them to stay longer, disperse further and spend more while they are here.

We hope everyone enjoys Busselton Jetty Swim and takes the time to explore the South West region.

HON STEPHEN DAWSON MLC
MINISTER FOR REGIONAL
DEVELOPMENT

Welcome to the 2026 Busselton Jetty Swim!
The City of Busselton is immensely proud to continue its long-standing support of this iconic homegrown event — now one of Western Australia's premier open-water swims.

This year marks an impressive 31 years of the Busselton Jetty Swim. What began as a local challenge has grown into a celebrated statewide tradition, thanks to the continued dedication of organisers, volunteers, competitors and supporters over the decades.

The City would like to congratulate everyone who has helped shape this remarkable success story. The event's enduring appeal is clear. Each year it draws elite athletes, returning regulars and first-time ocean swimmers alike, all eager to take on the beautiful waters of Geographe Bay.

While the bay often puts on its most dazzling display, we know Mother Nature can be unpredictable, so here's hoping for calm seas and record-breaking swims.

With a vibrant two-day program of swimming and an astonishing 5,800 swimmers expected to participate, perhaps the event will make its own waves!

Beyond the water, the Busselton Jetty Swim offers a wonderful lineup of free, family-friendly entertainment along the foreshore. Enjoy live performances, classic beach games and a host of activities for all ages. Presented by the City's SHIFT Crew, we are delighted to see the return of the Battle of the Bands finals as part of the Sunset Concert on Saturday evening - always a crowd favourite.

On behalf of the City of Busselton, I wish every participant a safe, memorable and rewarding swim. Enjoy an unforgettable weekend in this spectacular corner of the world.

AMBASSADOR

Born at the close of WW2 in England, Lesley Meaney (nee Cherriman) the 6th child in a family of 7 children arrived in Perth in 1969 as a trained artist and art teacher. Lesley's sporting pursuits have been many and varied. She was the first woman to conquer the Rottnest Channel and the first person to swim successfully in both directions. These crossings were before the start of the Rottnest Channel Swimming Association of which she was a founding member. Her last solo crossing was in 2000 at the age of 55. With more experience in OWS Lesley was 3 hours faster than her first crossing. In 1994 her book 'Why Swim to Rottnest when you can Catch the Ferry' covering the first 100 solo crossings was published. She has been a life member of RCSA for several years and in 2018 was inducted into their Hall of Fame. She has been a mentor for several 'Virgin Solo Swimmers' and is currently on the RCSA Award and Advisory committee. She continues to compete in OWS events including Surf Life Saving races. Lesley has held State

LESLEY MEANEY

and National records in Masters Swimming, and has competed in several World Masters Championships, **winning GOLD in 2025, at Singapore in the 3km OWS in the 80-84 year age group.**

Apart from Swimming, Lesley played several competitive sports including hockey, golf, squash and tennis. She is a Thunderstick and a Hockeyroo – having represented Australia in the Women's World Cup in Amsterdam in 1973 where she was a leading goal scorer. Lesley still plays the occasional game of golf having once held an Australian single figure golf handicap. As a solitary visual artist, Lesley claims that her sporting life keeps her grounded, fit and part of the community, and that being in the bush or the ocean is 'her church' where many of her artworks are conceived.
